SUMMER PROGRAMS

Berklee in Puerto Rico

2022

I worked on getting better at playing the drums and
understanding music theory.

UPRRP Program SEPA

2022

I dived in the world of chemistry to learn more about atoms,
molecules, and reactions.

Bethel College Summer Institute

2022

I learned about programming in R Studio and probability,
exploring the exciting realms of data analysis, statistics,
and prediction.
